DocuPet

DocuPet offers two packages for municipalities and shelters interested in advancing or streamlining their pet licensing programs. Each package is customizable, and upgrading between options is free and seamless.

OPTION 1: DocuPet Home Safe

Get Lost Pets Home - Make pet tags matter, by offering our best-in-class Lost Pet Service to licensed pet owners. Enable existing tags and begin offering our municipality-branded tags that tie to online profiles.

Pet owners gain free access to our Lost Pet Reporting features including alerts to the pet community, 24/7 hotline, and tracking reports. DocuPet Home Safe reduces shelter burden and is proven to return 97% of reported lost pets home safely at zero cost.

Replacement Tags are priced at cost.

OPTION 2: DocuPet Premium

With DocuPet's Premium Program, we handle everything from A - Z. You save money, save time, and have North America's best pet licensing solution working for you and your community of pet owners.

This package includes everything offered in our Home Safe program plus a full outsourcing of your program with optimized messaging, dedicated account management, customized reporting, and all of our growth initiatives including gift cards, community canvassing, and online marketing which have proven to increase license sales by more than 100% annually in our partnership communities.
